

Write the right *way*

THIS PROGRAM IS DESIGNED TO HELP PARTICIPANTS COMMUNICATE MORE PROFESSIONALLY THROUGH THE WRITTEN WORD.

Most people in business have to do a certain amount of writing just to get through the day, even if it is simply writing a few emails to staff or colleagues. In order to write clearly it is very important to think clearly on paper. People often get anxious when they have to submit documents, reports or presentations. Many professionals also need to develop their editing and proofreading skills.

Written documents are tangible evidence of the degree of your professionalism. This program provides a range of proven techniques for using words correctly and for ensuring that readers understand your intended meaning.
