

# Coaching for Mutual Results

USING THE GROW COACHING FRAMEWORK FOR WIN/WIN OUTCOMES

Here is a chance to fine-tune the direction of your key people. Its not unusual in the workplace for people to be pursuing different outcomes. You certainly want to avoid people counter-pulling. This is also a great opportunity to remove role ambiguity. Coaching for Mutual Results utilises the GROW models and is structured to deliver measurable outcomes.

## At a glance, here's what "Coaching for Mutual Results" looks like:

- Structure session with the coach, manager and person being coached
- Goals set for the coaching process
- Measurable action steps identified
- Wrap up session with the coach, manager and person being coached
- Review of goals accomplished and continuity steps
- Choose your Coach (see below)

## SUZANNE

Suzanne (B.A. Hons-Ind Psych; B.A. Hons Psych; MA, MAPS) has 18 years experience in training and coaching both internationally and within Australia. She is a specialist in emotional intelligence and has worked extensively within the health sector. Organisations she has worked with include Northern

Health, Austin Health, Frankston City Council, Dept of Defence, ANZ, Dept of Health, Melbourne Health

Suzanne's coaching experience covers the entire spectrum of coaching and support services. Her coaching approach is informal yet structured around the GROW model.

## ANDREW
