

# EMBRACES AND QUESTIONS TECHNOLOGY

"Technology is a useful servant but a dangerous master." - Christian Lous Lange

In today's digital age, technology is constantly evolving and shaping our lives in ways we never thought possible. From smartphones to artificial intelligence, it has become an integral part of our daily routines. But as we embrace these advancements, we must also ask crucial questions about their effects on society, privacy, and overall well-being. This training course will delve into the world of technology, examining its benefits and potential drawbacks. You will also learn how to ask the right questions to fully comprehend and harness the potential of technology. Enhance your digital literacy and stay ahead in today's fast-paced technological landscape!"
