

# EXPECTS SUCCESS

"The greatest leader is the one that gets the people to do the greatest things." - Ronald Reagan

As a leader, it is not just about achieving success in the present, it's about fostering an environment where success is not just hoped for but expected. Learn how to inspire and motivate your team, setting a benchmark for excellence, and continuously contributing to the growth and development of your organisation. Facilitator led, this course will empower participants to cultivate a proactive attitude towards achieving their goals and surpassing expectations. Join us to unlock the strategies for not just aiming for success, but expecting it.

## Key Course Content:

- Understanding the importance of fostering a culture of expecting success within your organisation
- Learning actionable strategies to establish and maintain a mindset of success expectancy
- Developing the skills to inspire and motivate others to embrace the expectation of success
- Establishing and maintaining benchmarks for excellence as a foundation for expected success
- Utilising effective communication to reinforce the expectation of success throughout your organisation
- Cultivating strategic thinking and planning to ensure continual success anticipation
- Implementing tools for measuring and tracking the outcomes of success expectancy.
- Cultivating a growth mindset that embraces setbacks as opportunities for learning and improvement

## Target Audience:

The course can be tailored for the specific cohort whether it be the leadership team, another group of managers/team leaders or employees.

## Duration:

This course is available as a 1-day course or a truncated ½ -day course.

## Delivery:

This course can be delivered both in-person or virtually. For virtual delivery, we can use our virtual platforms or your organisations.

## Group Size:

We recommend a group size of 4-10 people.
